External Applicant Instructions

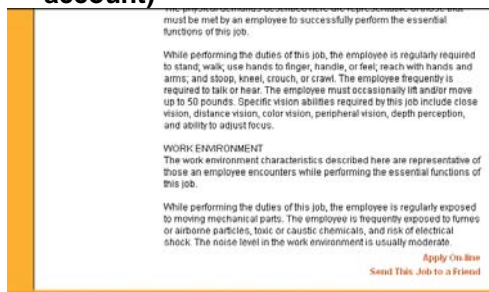

Employment website: <http://www.spiritmountain.com/oregon-coast-casino-careers/> click on link. Once this link has loaded click on “[Job Posting Can Be Found Here](#)” next to “**External Applicants:**”

Remember: All applicants **must** have an email address prior to going on-line to submit their application. If the applicant needs to set up an email account see the instructions for “Creating an Email Account with Yahoo”.

Example A-1

1. Select whether you want to “**Browse Open Jobs**”, “**Search Open Jobs**”, “**View Application Status**”, or “**Edit Your Application**”.
2. Once you have found a job that you would like to apply for, click on that job in order to bring you to the “job details” screen.
3. At the bottom of the “job details” screen you will have (2) options. (1) “**Apply On-Line**” or (2) “**Send This Job to a Friend.**” (You will need to have the friend’s email address available for the second option).
4. After selecting to “**Apply On-Line**”, you will be prompted to either login or create a new account. **If you have not applied on-line with us before you will need to select “Click here to create a new account.”** (You will need an email address to create an account)

5. When creating a new account all **(*) required fields**, must be populated, if it truly does not apply to you, mark it **“NA”**, however all applications will be screened and if pertinent information is not completed, the application may not be considered. (Note: the resume section can be noted **NA**, there will be an opportunity to upload a resume later in this process.)
6. Be sure that the address and phone number information is complete. **Home Phone Number** is required, and will be verified; if you do not have a home phone number leave a message phone number with an **“M”** in front of the phone number to note that it is a **“message”** phone.
7. Email address is required, and applicants will need to create a password. You will be prompted with a secret question in the event you forget your password.
8. At this point you will have the option to upload a resume.
9. Complete the **“General Information”** and **“Education”** screens. (Multiple Screens)
10. There are (10) separate sections for **“Employment History Status”**. Detailed information for the prior **ten years** of work history must be completed for the application to be considered. If there are gaps in employment dates those reasons must be noted. (example: unemployed, student, homemaker, etc.) **Submitting a resume will not be considered in lieu of completing the 10 years of work history. This information MUST still be completed.**
11. There are (2) sections of **skills assessments**. The applicant should check **all** skills that they are proficient in performing.
12. There are (5) sections for **license and certification** information. If an applicant has more the (5) to list they will want to list the ones of greater importance as they relate to the job(s) they are applying for.
13. Applicants will need to list (3) **references**. Again this area is an area that must be complete, or the application will be considered incomplete.
14. The **authorization screens** must be initialed and completed, or the application will be considered incomplete.
